

FOREVER - PERSHING 80' OPEN

For Ever is a Pershing 80 Open model built in 2008 and last refitted in 2023 (overall exterior painting from present color to white pearl color)! She has been designed to comfortably accommodate up to eight guests in four cozy cabins - one Master, one VIP and two Twin cabins. Built with a GRP hull and GRP superstructure, consumes transit fuel, she has impressive speed and great efficiency thanks to her planing hull. Powered by two diesel MTU (16V 2000 M93) 2.400hp engines, she comfortably cruises at 33 knots, and reaches a maximum speed of 48 knots with a range of up to 330 nautical miles. Her low draft of 1.40m/4' 8" makes her primed for accessing shallow areas and cruising close to the shorelines. The main deck has large, comfortable exterior areas where guests can relax towards the bow and the stern. The bow area has a bimini sun top, and the cockpit an extendable roof providing more or less shade. The salon area is very comfortable and the doors between the cockpit and the salon can be hidden away to open up these areas completely. Four experienced and professional crew members will ensure a relaxed luxury yacht experience!

SPECIFICATIONS

Length: 24.66m (80ft 11in)
Draft: 1.40m (4ft 8in)
Beam: 5.77m (18ft 1in)
Builder: Pershing 80 Open
